

INTRODUCING COWAN WAREHOUSING

FROM PORT TO

The handling of your goods—from port to pickup to ultimate destination—has never been easier. Cowan Systems handles everything. We pick up the goods, transport them to our warehouse and hold them until we deliver in our lightweight fleet.

For you, that means:

- No looking around for someone to do pickup at the port
- No searching for a warehouse
- No extra inventory
- No trying to find a carrier for transport to final destination
- No hassles, period.

DESTINATION

From the lightweight trucks that haul more, to the start-to-finish hassle-free transaction, we simplify the process, save you money and get the goods delivered just in time.

Cowan Warehousing. Value Plus. Value Throughout.
